Oct 3rd / 2023

## DRYTC Season Close Clean-Up is October 14th (rain date Oct 15th)

Join us Saturday October 14th, 9am until noon as we get our club ready for winter. Coffee/donuts provided (rakes/leaf blowers welcome) We VERY MUCH appreciate everyone's help!

### Courts

The Tennis & Pickleball courts have been very busy the past 4 weeks as we wrap up the 2023 Season. Our leagues & tournaments have generated a lot of enthusiasm, have all been well attended, and our DRYTC members have been making a splash at away tournaments! This month there have been over 100 students from St. Mary's & Mackenzie Community School at our courts! Thank you to Oliver, as well as those of you who supported with coaching assistance, and of course our members who were very welcoming to our (hopefully) future members!

### DRYTC Year End Dinner

Our year end dinner was a huge success - amazing food from the Hexagon Restaurant team, a great night of live Jazz music by the Kitchissippi Jazz Kats and a warm, clear evening for visits under the stars made an enjoyable evening for all!
