Watch for an email with a personal registration link to DRSSC's upgraded member software.

**SAVE
THE
DATES**

DRSSC AGM this Thursday, April 4th, 6 PM Deep River Library, Program Room

Your presence at the AGM is incredibly important. We require 10% of membership to achieve quorum and proceed with the meeting. Like last year, it will be brief! The AGM package you received 3 weeks ago includes the agenda.

Spring Clean -up is this Saturday, April 13th 9am-noon

Let's get our club ready for the 2024 season! (rain date April 20th). Bring a rake if you have one. Coffee & treats provided!

The Hexagon Restaurant Opens Wednesday, May 1st! (weather permitting...)

Opening Dinner / Dance Friday, June 1st! Details coming soon...

SPOTLIGHT

A BIG Welcome to Eppo Van houten, our New DRSSC Operations Manager!

Eppo will be responsible for ensuring operational excellence of DRSSC facilities, including safety & emergency preparedness.

Eppo brings a proven track record in radiation protection, team leadership, & training development from his experience at RadSafe and CNL.

COACH HANNAH

Hannah is back as DRSSC Pickleball Coach!

- ✓ Clinics
- ✓ League
- ✓ Private Coaching

Stay up to date with DRSSC news!

Schedule a sail, games on the courts, receive last minute club cancellation notices & news on **SPOND!** If you are already on Spond, connect to DRSSC by clicking on groups at the bottom right of your screen & enter the unique DRSSC code **USDDF**

All are welcome - including non-members!

Maven Catering is partnering with DRSSC again this year with EXPANDED HOURS!

Maven is hiring servers & cooks (full time, as well as part-time). Do you know someone who may be interested? [Contact Carolyn](#)

THE 2024 HEXAGON REFRESH

Things have been busy at the DRSSC Hexagon this spring! **Julia Moore** is doing a fantastic job leading the refresh project. Thanks to the members who moved the boats out very early, and to those who prepared the Hexagon for a complete refinishing of the original beautiful oak floor. **WOW!** Intrigued??

Check out the amazing transformation [here](#)... and stay tuned for more exciting updates as we prepare for the season opening.
